

ANNEX B: INTERNAL CONSTRUCTION PHOTOS OF EUT**1. Inside View 1 of EUT****2. Inside View 2 of EUT**

This image shows the internal components of a mobile phone. The mainboard is green and features the 'Kingtel' logo. It includes a SIM card slot, a large black battery, a speaker, and various electronic components like capacitors and resistors. A red ribbon cable is connected to the mainboard. A ruler is placed below the phone for scale, showing measurements in millimeters and centimeters.
